With four or more children under 18

* "Families" do not include same-sex married couples even if the marriage was performed in a state issuing marriage certificates for same-sex couples.
** Same-sex couple households are included in the family households category if there is at least one additional person related to the householder by birth or adoption. Same-sex couple households with no relatives of the householder present are tabulated in nonfamily households. Responses of "same-sex spouse" were edited during processing to "unmarried partner."

P33. HOUSEHOLD TYPE FOR THE POPULATION UNDER 18 YEARS IN HOUSEHOLDS (**)
Universe: Population under 18 years in households excluding householders, spouses, and unmarried partners

## Total:

458100.0

In family households:
454
348
In husband-wife families

 by birth or adoption. Same-sex couple households with no relatives of the householder present are tabulated in nonfamily households. "Nonfamily households" consist of people living alone and households which do not have any members related to the householder. Nonrelatives include any household member not related to the householder by birth, marriage, or adoption. This includes unmarried partners. Responses of "same-sex spouse" were edited during processing to "unmarried partner."
